

ATHENA

Working Group 3a Strengthening the societal impact of women's studies

Report Nijmegen

July 2008 – September 2009

Ongoing projects which are relevant for the activities in working group 3A and vice versa:

- 'Comparing and understanding gender+ equality policies across Europe (QUING+)' by prof. dr. M. Verloo, drs. S. Lauwers, drs. F. van de Wal, drs. S. Martens and drs. J. Jarty, in cooperation with 11 European project partners. (Financed by: European Commission, 6th Framework Program (time table: 2006-2011.).)
- 'TARGET', a trans-Atlantic cooperation on gender equity training by prof. dr. M. Verloo in cooperation with prof. M. Marx Ferree (University of Madison –Wisconsin), prof. K. Zippel (Northeastern University and Harvard University), prof. M. Bustelo and dr. E. Lombardo (Complutense University Madrid), and Prof. S. Baer (Humboldt Universitaet zu Berlin). (Financed by: the European Commission. Time table: 2007-2009.).)
- 'GOAL: Meta analysis of gender and science research'. Drs. M. van den Brink is the expert and evaluator for The Netherlands. Goal of the project is an overview and analyses of all research on gender and science on European, national and regional level. This research is carried out in the 27 member states and associated states within the 7th Kaderprogramma van de EU. (Financier: Europese Commissie, 7th Framework Program of the EU. (Time table: 2009-2010.).)
- Membership by prof. dr. Y. Benschop of the Adviescommissie Politietop Divers (Advisory Board Police Management Divers). Goal of the commission is 50% women and ethnic minorities in all appointments in police management in 2008-2011. (Commissioned by the Minister of the Interior and Kingdom Relations. Time table: 2008 – 2011.).)
- The integration of gender in the medical curriculum. Research leader: prof. dr. A. Lagro-Jansen.

Finished relevant projects:

- Prof. dr. M. Verloo advised the Ministère de l'Égalité des Chances, Luxembourg. Title of the project: Contrat pour la réalisation d'une formation intitulée: Comment intégrer le principe de l'égalité des femmes et des hommes dans la législation 1 (Time table: October - December 2008.).)
- 'Vertrek en behoud van vrouwelijke consultants' (Departure and retainment of female consultants'. Research leader: prof. dr. Y. Benschop. Goal of the project: to identify why female consultants leave the company and to formulate measurements to avoid early departure in the future. (Financed by: McKinsey. Time table: April – Sept. 2008.).)

Other relevant activities of the Institute for Gender Studies:

- Documentation Centre Gender Studies. Policy makers, journalists, students (high school, university and vocational training) make use of this centre.
- Raffia, journal on gender, emancipation and feminism. Publishes articles on all kinds of topics and is next to subscription available in libraries.
- Up to date website gender studies.

Published relevant articles in 2008 (a selection):
